Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. The Protocols of the Elders of Zion or The Protocols of the Meetings of the Learned Elders of Zion is, according to its publisher, a Jewish secret blueprint for global domination. However, the Zionists claim that its a lie. It was published in Russia in 1903, translated into multiple languages, and appreciated internationally in the early part of the 20th century. According to the claims of its publishers, the Protocols are the minutes of a late 19th-century meeting where Jewish leaders discussed their goal of global Jewish hegemony by subverting the morals of Gentiles (non Jews), and by controlling the press and the world's economies. Henry Ford funded printing of 500,000 copies that were distributed throughout the U.S. in the 1920s. The Nazis sometimes used the Protocols as propaganda against Jews; it was assigned by some German teachers, as if factual, to be read by German schoolchildren after the Nazis came to power in 1933. It is widely available today in numerous languages, in print and on the Internet, and continues to be presented by some proponents as a genuine document.
